Welcome:

The membership of Calvary Baptist Church would like to thank you for visiting with us today.

We are a church that is Baptist in doctrine; we take what we believe directly from the Bible, and we try to teach and preach only what the Bible declares.

There are now several ways to learn more about our church. We have a Facebook page and a website: http://idahobaptist.com. You can also hear our services by clicking on “Join.me/idahobaptist” on your computer or smart phone, and some of the messages can be heard on “sermonaudio.com/idahobaptist”.

Our primary responsibility ...

as faithful students of God’s Word is not to manipulate and mold (the Bible’s) statements into the frame work of contemporary scientific theories; but rather to discover exactly what God has seen fit to reveal to us concerning the past history of this planet and its inhabitants. If this becomes our increasing passion and goal, we shall not be ultimately disappointed either as scientists or as theologians.

– J. Whitcomb

It is a marvel that any man ...

should be a Christian at all, and a greater wonder that he should continue so. Consider the weakness of the flesh, the strength of inward corruption, the fury of Satanic temptation, the seductions of wealth and the pride of life, the world and the fashion thereof: all these things are against us, and yet behold, greater is he that is for us than all they that be against us,” and defying sin, and Satan, and death, and hell, the righteous holds on his way.

– C. Spurgeon

It is easier to resist at the ...

beginning than at the end.

There are so many ...   
“Christians” out there today who do not seem to understand what the Bible says about our day and time. They say, “Why is there confusion in religion today?” or “Why don’t we have unity?” Many seem to wonder why “we Christians” don’t all agree on everything.

The reason “Why” is because the Lord said our day and time will be a time of heresy and apostasy - especially in the world of “Christianity”. Heresy is, “opposition to the established or commonly received doctrine”, and Apostasy is, “An abandonment of what one has voluntarily confessed”. So basically, those who have never agreed with the Bible, and those who at one time said they did agree, but no longer do!

Matthew 7:15 – “Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.”  2 Peter 2:1 – “But there were false prophets also among the people, even as there shall be false teachers among you.” – 2 Timothy 4:4-4a. “For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth.” “The prophets prophesy falsely... and my people love to have it so.”

Not much has changed since the days of the Prophets! Which means we should pay close attention to all that the Bible says, all of the Old Testament and all of the New Testament. And like the Apostle John warned, “Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world” – 1 John 4:1. – F. Tottingham

According to a June 5 article ...   
published on Live Action, Wendy's, the fast food chain, clearly has adoption on its mind over abortion.

According to the Family Council, some of the companies that widely support Planned Parenthood include Aetna, Clorox, Deutsche Bank, Mondelez International, Nike, Starbucks, United Airlines and more. In May, Netflix employees donated at least $20,000 to Planned Parenthood. Netflix announced that it would be reconsidering filming in Georgia as a result of the state's new "heartbeat" law.

Through Wendy's Wonderful Kids-a program belonging to the Dave Thomas Foundation for Adoption-children who belong to a group considered "more difficult to place" are given a leg up in achieving adoption. Live Action reported that the foundation hopes to bring the Wendy's Wonderful Kids program to all 50 states.

Pythagoras ...   
the Greek philosopher and mathematician who lived six centuries before Christ, prized truth so highly that he exclaimed: “Truth is so great a perfection that if God would render Himself visible to men, he would choose light for His body and truth for His soul!” Pythagoras knew not how truly he spoke, for when God became incarnate, He said, “I am the light of the world... I am the way, the truth, and the life; No man cometh unto the Father, but by me.”

Pastor Smith was beginning to wonder if the church was really interested in another sermon on superlapsarianism. Should he have preached that message he entitled, “Believe on the Lord Jesus Christ and thou shalt be saved”?

There is no expiration of a ...   
prayer, for a prayer once made has wings, a life and force that reach far into the future and into eternity – all for the glory of God. A man prayed. God listened (so to speak). God can answer in His perfect time – years after the request was made. So pray in faith and wait patiently. – E. A. Johnson

Studying God’s creation ...   
with a closed Bible is like trying to assemble a 5,000-piece jigsaw puzzle without looking at the “answer” on the puzzle box.
